ST HILDA'S NETBALL CLUB

PLAY, SUPPORT, GROW

OUR PURPOSE

We want to provide a home for all netballers from the social participant to the elite athlete. The club prides itself on creating an inclusive environment where players of all abilities are welcomed to grow, develop skills, and enjoy the game netball.

OUR VISION

To be a thriving, inclusive netball club that empowers players of all abilities to reach their potential, promote a strong sense of community, and foster growth both on and off the court.

OUR MISSION

We aim to foster teamwork, provide equal opportunities and encourage our players to compete with pride in one of Western Australia's leading Netball Associations.

OUR CORE VALUES

PLAY

Encourage Participation

We create a fun, safe, and inclusive environment where everyone can enjoy the game, fostering teamwork and respect on and off the court.

SUPPORT

Build a community

We foster a supportive and inclusive community that celebrates diversity. We treat all members of the netball community, including players, coaches, umpires, supporters, and opponents, with respect and integrity.

GROW

Personal and team growth

We encourage every member to develop their skills, confidence, and resilience while contributing positively to their team, both on and off the court.

NETSETGO (YEARS 2, 3 &4)

NetSetGO (NSG) is Australia's official introductory netball program for children aged 5-10 years. Designed for young players, the program focuses on learning the fundamental skills of netball, building confidence, staying active, and making new friends in a safe and inclusive environment. With modified rules and a strong emphasis on skill development, NSG provides an enjoyable introduction to the game. At SHNC, we are committed to creating a positive and engaging experience that encourages a lifelong love of netball.

Team Allocations

Girls will be allocated to teams by the Head of Netball and will have the opportunity to rotate through a variety of positions throughout the season. All players will receive a participation medal at the end of the season. Please note that team composition will be determined by registration numbers and may include either mixed or split year groups.

Match Day

Thursday Nights
Year 4/5 Net Set Go – 4:10PM or 5:35PM at Matthew's Netball Centre, Wembley

Friday Nights
Year 2/3 Net Set Go – 4:10PM or 5:35PM at Matthew's Netball Centre, Wembley.
NSG matches are played at Matthew's Netball Centre, Wembley.

Please note: Final match times remain unconfirmed until determined by Perth Netball Association. Therefore, we recommend that all parents are prepared for both timeslots at time of registration. Players cannot be moved teams to cater for each individual's time preference. In addition, please be aware that NSG teams may be entered in mixed year groups, if required to do so (i.e Year 2/3 competition).

RECOMMENDED NETSETGO RESOURCES

NetSetGO Resources

NetSetGO the PNA way

JUNIORS (YEARS 5-12)

Junior Netball is a graded competition, with teams selected through a trial process conducted in Term 1. Players should expect some movement between teams from year to year. Year 5 team selections will be determined through Term 1 training sessions, as outlined in the schedule.

Team Allocation/ Selection Process

Trials are compulsory, and attendance at all sessions is strongly encouraged to enable accurate assessment and appropriate team placement. Players unable to attend due to illness or injury must provide a medical certificate. Upon being cleared to return, they will be assessed at the next available training session, with this assessment contributing to final team selections.

Players and families should be aware that an even distribution of defenders, midcourters, and shooters is not always possible. As a result, some players may be asked to trial in their non-preferred playing positions. This will be noted by selectors, and players will not be assessed against the specific requirements of that position, although their general skills and overall ability may be observed. All players will have the opportunity to trial in their preferred position during the selection process.

Please note that, following the trial period, players will train as squads while final team selections are confirmed in consultation with coaches. Team lists will be communicated via email.

Matches are played at Matthew's Netball Centre on a Saturday throughout Terms 2 and 3. Match Times (unconfirmed). Finals for Year 6 teams only. Year 5s finish Round 14.

Match Day Times

Year 5- 8:00am Year 6- 9:00am Year 7&8- 10:00am or 11:30am (dependant on grading) Year 9-12- 11:30am, 1:00pm & [2:30pm & 4:00pm] alternating.

Please note: Final match times remain unconfirmed until determined by Perth Netball Association (PNA). Therefore, we recommend that all families are available for either timeslot at the time of registration. Players cannot be moved between teams to accommodate individual time preferences. It is also important to note that PNA may regrade teams at the conclusion of Round 3, which may result in changes to match day times. Year 9 rowers should be aware that netball matches and Rowing Regattas may occasionally clash throughout the season, which could result in players missing up to five netball games.

TRAINING

Year	Day	Time	Location
NETSETGO	Tuesday	7:00AM-8:00AM	Junior School Campus
Year 5&6	Thursday	6:40AM-8:00AM	Junior School Campus
Year 7/8	Monday	6:40AM-8:00AM	Senior School Campus
Year 9-12	Wednesday	6:40AM-8:00AM	Senior School Campus

Training Expectations

Players are expected to attend all training sessions and arrive 5 minutes before the scheduled start time. If a player is unable to attend, parents should notify the coach as soon as possible. As part of our duty of care, should a coach not be advised of player's absence, an absentee notice will be sent via email, advising of their daughter's absence from training. Non-attendance at training may result in reduced court time.

Should the Head of Netball deem it necessary to cancel a training session, a text message will be sent via Team Managers. During finals some teams may train outside of the above specified general competition level training times. This will be arranged with the respective teams if necessary.

Match Day Expectations

Players are expected to arrive at least 30 minutes prior to the scheduled match time. Coaches will advise team meeting points, with all season communication distributed via Team Managers.

If a player is unwell, injured, or unable to attend, both the coach and Team Manager must be notified as early as possible. Team Managers will also request notification of any known absences (e.g. camps, family holidays, or sporting commitments) at the commencement of the season to support team planning and ensure each team can take the court.

SHNC will only forfeit a match in exceptional circumstances, out of respect for our opposition. Match cancellations, including those due to adverse weather, are determined by PNA. The Head of Netball will communicate any cancellations; however, families are encouraged to monitor PNA updates via its official Facebook page.

Please note: These expectations are not exhaustive. Coaches may establish additional team expectations, which will be communicated at the start of the season. All coaches are briefed to ensure consistency across the club while recognising the individual needs of each team.

Player Rotations

Coaches are required to record player positions each week to support balanced rotations throughout the season. The Head of Netball will monitor this regularly. Please note that rotations may be influenced by team composition and positional requirements.

For the first and second ranked teams in the Year 7-8 and Year 9-12 competition levels, equal court time may not always occur. As these teams compete at a higher level, court time may vary according to team performance and match requirements. Parents who do not wish for their daughter to be considered for these teams should advise the Head of Netball during the trial process.

The club's equal rotation policy does not apply during finals. Coaches will determine the most competitive on-court combinations, and while every effort will be made to involve all players, court time cannot be guaranteed.

UNIFORM

SHNC supplies a variety of uniform items. Players cannot take the court wearing the incorrect uniform (all clubs register their uniform with PNA).

Compulsory Uniform Items include

- SHNC player dress & SHNC navy athletic briefs
- St Hilda's school socks
- St Hilda's tracksuit/hoody

All SHNC uniform items are available from the Uniform Shop on the Senior School campus. We recommend purchasing all required items by Week 7 of Term 1.

Players are required to wear their school PE uniform to training, including appropriate footwear. Full SHNC playing uniform must be worn on match days.

As per the Rules of Netball, jewellery cannot be worn or taped. Medical alert bracelets are the only exception. Approved sports gloves may be worn in place of maintaining nails at the required length.

Forfeits

Players register with the expectation of participating in a committed and competitive team environment. Player absences can negatively affect team performance and finals opportunities, while also impacting the experience of other players who are committed to training and competition each week. In the event that a team forfeits a match, the fine imposed by PNA will be the responsibility of the offending team, not the club.

Registration Refund Policy

Please note that registration refunds will **not** be issued once the trial period has commenced for the relevant competition. Families are encouraged to carefully consider their commitment prior to registering.

Parent Involvement

Every team requires a Team Manager prior to registering. This role is typically filled by parents and is vital to the continued growth and success of this club. The time commitment for this role is no more than two hours per week. The Head of Netball will outline roles directly with Team Managers at time of allocation. All parents are required to take part in the team roster for scoring and timing duties. In addition, there are multiple times throughout the season when parent helpers are called upon to assist with a wide range of roles, player marshalling at trials, event set ups etc. Any parents who are interested in the above roles please indicate this at the time of your daughters registration (Hummanitix) or email the Head of Netball direct. All help and support is greatly appreciated.

IGSSA Sport & SHNC

As girls advance through the various stages of their educational experience, they will undoubtedly be faced with competing priorities as such it may be necessary for them to make choices to what they can reasonably commit to. SHNC will wherever possible support the girls in a range of capacities to continue to access team sport for as long as possible.

Attendance at IGSSA Sport takes precedence over SHNC. However, the Head of Sport and Head of Netball will work together to explore options that may allow students to attend one SHNC session per week, provided they consistently participate in IGSSA Swimming, Cross Country, and Athletics training. Please discuss your training requirements with the Head of Sport and Head of Netball in advance.

Code of Conduct

Parents and SHNC spectators are bound by the St Hilda's Anglican for Girls School Code of Conduct. At no stage are parents permitted to engage in a negative or threatening manner with any player, coach, umpire or spectator either during training or at matches. All parent are to avoid approaching coaches during games and sessions; please email emma.cosh@sthildas.wa.edu.au with any concerns or feedback (Monday-Thursday).
