

Making Gardens Workshop

with Gardening Teachers Kathy Thangathurai and Sandra Frain
Sunday May 16 9:30am – 11:30am (rain or shine)

Join Glenaeon gardening teachers for a hands-on workshop learning how to make your own garden bed. Garden soil and bed preparation along with winter planting choices will be the basis for this skills-based workshop. Children welcome.

- **WHEN**
Sunday May 16, 9:30am – 11:30am
- **WHERE**
Glenaeon – MIDDLE COVE CAMPUS
- 5a Glenroy Ave, Middle Cove

Kathy Thangathurai and **Sandra Frain** teach gardening to Glenaeon's Early Childhood and Primary classes.

Their formal training and practical application in horticulture /biodynamic principles makes for pertinent learning of regenerative agriculture for adult education purposes too. Sandra and Kathy bring many decades of gardening experience and teaching to their workshops.
