

Parent Education

Term 3 2022

Evan Sanders

Technology and Child Development

Thursday 28 July 7:30pm-8.30pm
Marion Mahony Griffin Hall, Castlecrag Campus
121 Edinburgh Road, Castlecrag

<https://www.trybooking.com/CAYDM>

Speaker: **Evan Sanders**
Design & Technology Teacher,
Year 8 Guardian and ICT Coordinator

In this talk for parents of children of all ages, Evan will speak about the impact of digital technologies from infancy right through to adolescence. We will cover screen time, social media, video games, memes, cyber-safety and many other concerns that come up for parents and educators of children in today's online world. The talk will cover Glенаeon's approach, from an unplugged early primary education, through to eventual mastery of technology as an adult, as well as the steps parents can take to help foster a healthy relationship with technology in the family.

Yura Totsuka

Science in the Senior School

Tuesday 9 August 7:30pm-8.30pm (via Zoom)

<https://www.trybooking.com/CAYEB>

Speakers: **Yura Totsuka**
Head of Department (Science)

Yura will explain how the science curriculum is delivered in the high school to support the young person's growing capacity for abstract and critical thinking. Starting with a more descriptive approach and developing judgement based on observation in Year 7, through to critical analysis of processes to discover the underlying principles behind phenomena in later years.

Sandra Frain

The Science and Art of Sourdough Bread Making

Sunday 4 September 10am-12 noon
Kitchen next door to Marion Mahony Griffin Hall,
Castlecrag Campus, 121 Edinburgh Road, Castlecrag

<https://www.trybooking.com/CAYGG>

Speaker: **Sandra Frain**
Experienced Steiner Educator and Biodynamic
Gardening Expert

In this Father's Day hands-on family-style workshop you will learn:

- The principles of sourdough bread making
- How to make your own bread
- How to make your own starter culture
- Tactile exploration and nutritional study of many grains
- How to make butter and cream cheese

Catherine Pilko

Understanding Children's Drawings

Thursday 8 September 9:30am-10:30am
Marion Mahony Griffin Hall, Castlecrag Campus
121 Edinburgh Road, Castlecrag

<https://www.trybooking.com/CAYGU>

Speaker: **Catherine Pilko**
Senior Teacher and experienced Steiner
Early Childhood Educator

In this presentation we will explore the development of children's drawings in the first seven years as a mirror of the child's bodily development and changing consciousness.
