

CO-CURRICULAR ART CLASSES

TERM 4 2019

Art classes will be conducted on Wednesday afternoons from 3:30 until 5:00 pm. These will take place in the Visual Arts Department, Room MK12. There are two classes on offer at the beginning of Term 4

Ceramics Hand building

Room MK12

Maximum Number of Students 15

Duration 7 Weeks

Cost \$175

Students will be shown hand building techniques including coil building and slab construction. Students will then apply these hand building skills to specific projects. These projects can be student selected or alternatively have been developed by the teacher.

Teachers will provide individual advice as well as group demonstrations and technical information throughout the class and all materials and equipment is provided.

Approaches To Drawing – Colourful Creatures

Room MK12

Maximum Number of Students 15

Duration 7 Weeks

Cost \$175

Students will be shown drawing a variety of techniques in order to represent the textures and forms present in a range of animals, birds and insects. A range of materials will also be explored including graphite, pigmented pencils/markers, and pastel. Students will then apply these drawing skills to a specific project that can be student selected or alternatively have been developed by the teacher.

Teachers will provide individual advice as well as group demonstrations and technical information throughout the class and all materials and equipment is provided.

To register – please go onto the Parent's Lounge – Online Payments and make the payment choosing either **Ceramics Hand building or Approaches To Drawing**. Registration will be done on a first payment received method, with capped numbers. Details will be mailed out to students in week 1. If you are using this template, please only use these styles (fonts and colours). The easiest way to access these styles is through the 'Styles' menu available under the 'Home' tab.
