

UNIFORM POLICY AND REGULATIONS

INTRODUCTION

INTRODUCTION FROM THE HEADMASTER

The Knox Grammar School uniform brings a clear sense of identity and connection to both the School and the local community. The colours of our uniform, black and blue, builds this connectedness internally between students and externally to the wider community, and indeed students from other schools.

The uniform represents our School's fine history and builds on our traditions. This policy provides detailed information about the School's uniform. Please take the time to read this document and ensure the traditions of the Knox and its uniform continue to be something we take great pride in.

Scott James, Headmaster

OVERVIEW

A boy is admitted to Knox Grammar School on the understanding that his parents or guardians are sympathetic to the aims and policies of the School and will do whatever they can to ensure that he conforms to such regulations as the School deems necessary.

Students and the School are judged by the general standard of each boy's dress and appearance. Students are expected to know and comply with the dress and appearance regulations of the School. It is each boy's responsibility to be correctly and neatly dressed, to be clean and tidy, clean-shaven, to have his shirt tucked-in at all times, and his tie neatly tied into the buttoned up collar.

Parents are expected to be familiar with the information in relation to uniform requirements outlined below and to ensure that these requirements are fully observed. Students will be asked to change any items not in accordance with the School's requirements. Each version of the School uniform must be worn complete and not worn with other non-uniform items of clothing.

Boys are required to keep their clothes clean and ironed and their shoes polished. Shirt buttons must be done up to the top collar and ties properly in place. All clothes and shoes must be marked with the student's name.

Regulation School Uniform must be worn within the school grounds. Full school uniform (including blazers) must be worn to all formal daytime events and at all evening functions, plays, musicals etc without exception unless permission to do otherwise is given by the School in a specific instance. Jumpers may not worn as the outer garment outside the school. Boaters are not required for evening functions.

Hair: Boys must have their hair cut according to the Knox requirements:

Hair must not be long enough to be over the collar, ears, eyebrows, nor overly full at the back or front. An all over short haircut may be acceptable to a minimum No.3 cut. Dying of hair is not permitted under any circumstances.

In all respects, the School remains the final arbiter of what is acceptable.

Jewellery No jewellery, may be worn other than watches, medic-alerts and approved badges relating to Knox Grammar School.

DRESS REGULATIONS OUTSIDE OF SCHOOL HOURS

Weekday mornings and afternoons

Students travelling to and from school on weekdays are required to wear the full school uniform including Blazer and Boater.

After sports practice, students may travel to and from sport in either full Knox School uniform, full Knox tracksuit worn over correct uniform or, only during the summer sports season, the white or blue PE (collared) shirt with the PE short or designed sport uniform shorts is acceptable.

Students who drive to school or those who are given lifts may travel in sports clothing provided that they go straight home. They may not appear in public places in sports uniform nor in part of their school uniform. This includes appearing on the front footpath outside the School whilst awaiting transport. Any student who is standing waiting to be picked up outside the School gates at Woodville Avenue or Borambil Street must be fully dressed in School uniform or in full tracksuit, or as above.

Senior students must attend all examinations in full school uniform. Boarders may change into casual clothes provided they remain within the confines of their house or school grounds.

WHAT TO WEAR TO AND FROM TRAINING AND SATURDAY SPORT

For extended periods of uniform fittings such as the start of the year (when new students are starting) or Cadet fittings we operate a strict appointment system. Appointments can be booked through an online booking system; logon details will be provided.

The shop is operated by a fulltime manager and a team of experienced knowledgeable advisors who can advise on all the requirements of school and sports uniform.

RECYCLED AND PRE-LOVED CLOTHING POOL

We have a well-stocked recycled/second hand room which enables parents to sell outgrown uniform and other parents can purchase at a reduced cost than a new item. We only accept laundered items of a high quality.

METHODS OF PAYMENT

Once the initial uniform consultation is done or extra items are required for sports or to replace lost goods, some parents find it difficult or are too busy to re-visit the uniform shop. To assist with this we have other options to purchase uniform at your convenience.

FLEXI-SCHOOLS

A logon code and password will be provided which will enable your child to purchase their lunch from the Tuck Shop. This same code also enables you to order school uniform.

If your child is in the Prep School, any orders placed will be collected on Wednesday and Friday mornings and delivered to the Prep Admin Office for your son to collect.

If your son is in the Senior School, they can collect in their lunchtime or after school where the goods will be bagged and ready for collection at the Uniform Shop. The Student ID card is not accepted as a method of payment and items cannot be charged to the School account.
