Dear Families

Many of you would know that the College is currently preparing for our 2022 Musical. This involves students from years 5-12 performing five separate shows at the end of Term 2. The College has a strong reputation of putting on high quality shows and look forward to welcoming people from the College and wider community to view these performances. The 2022 Musical, *High School Musical*, will be a wonderful show for people of all ages to come and enjoy.

The College wishes to extend an invitation to families with businesses to consider sponsoring the College Musical in 2022.
