When you click on the link you are taken to this opening page:

The screenshot shows the top of the Australian Government Department of Health website. At the top, there is a yellow banner with a warning icon, the date '07 May 2020', and the text 'Coronavirus (COVID-19) health alert'. Below this is the Australian Government logo and the Department of Health name. Navigation links include 'About us', 'Ministers', 'Media centre', 'News', and 'Contact us'. A search bar is present with the text 'Search this website'. The main navigation menu includes 'Home', 'Health topics', 'Initiatives and programs', and 'Resources'. The breadcrumb trail is 'Home > Resources > Apps and tools'. The page title is 'COVID-19 infection control training'. The introductory text states: 'This 30-minute online training module is for health care workers in all settings. It covers the fundamentals of infection prevention and control for COVID-19.' A thumbnail image of the training module is shown on the left. The main content area lists the settings where the training is applicable: hospitals, primary care, aged care, disability, allied health, Aboriginal Community Controlled Health Services, pharmacies, and dental practices. It also lists the topics covered: COVID-19 – what is it?, Signs and symptoms, Keeping safe – protecting yourself and others, and Myth busting. A yellow arrow points to a blue 'Register now >' button.

COVID-19 infection control training

This 30-minute online training module is for health care workers in all settings. It covers the fundamentals of infection prevention and control for COVID-19.

This training is for care workers across all health care settings, including:

- hospitals
- primary care
- aged care (both in residential aged care facilities or with visiting carers at home, including cleaners and cooks)
- disability (both in residential/shared care facilities or part-time carers in people's homes, including cleaners and cooks)
- allied health
- Aboriginal Community Controlled Health Services
- pharmacies
- dental practices, including dentists, nurses, cleaners and receptionists

This training module covers the fundamentals of infection prevention and control for COVID-19 including:

- COVID-19 – what is it?
- Signs and symptoms
- Keeping safe – protecting yourself and others
- Myth busting

Users must register, but registration is free.

Training is provided by our training partner, Aspen Medical.
