### UNSW CompClub for IT - 2020 Virtual Winter Workshops

This year we will be providing 3 free workshops in an online format instead of in person! We will have a series of videos covering three workshops:

- Game Development (HTML/CSS)
- Cyber Security
- Web Development (Javascript)

There will also be a livestream covering an introduction to Python during the holidays (date TBD), where students can take part and ask questions in real time!

There is no cost or registration needed and is open to all high school students of any ability. We will be releasing the virtual workshop site closer to the Winter School Holidays and will update the link here once it is ready!

If you are looking for a flyer, [here's one we prepared earlier!](#)  
[Click here for more details.](#)

### UNSW Arts & Social Sciences High School Support Program Free online interactive talks for Year 11s and 12s

To support high school teachers and students, UNSW Arts & Social Sciences will be running a series of interactive online guest speaker talks for Years 11 and 12 throughout June. Our leading academic staff are available to speak across a [range of topics](#) which are aligned with the Stage 6 syllabus.

[Click here to see the amazing range of great topics and special speakers.](#)

### UNSW HSC Maths Course Selection Advice

While we encourage everyone to study the level of maths at which they feel sufficiently challenged, below are some guidelines for the minimum level of maths required for some of our degrees. Please also see [Assumed Knowledge](#) for more information.

<b>Type of Degree</b>	<b>Assumed Knowledge</b>
<b>Science with Mathematics Major</b>	Mathematics and Mathematics Extension 1, but study as much maths as you can!
<b>Science or Engineering</b>	Mathematics and Mathematics Extension 1
<b>Commerce with Actuaries, Finance or Accounting Major</b>	Mathematics and Mathematics Extension 1
<b>Health Sciences</b>	Mathematics

### UOW College Australia Now Accepting applications for 2021

UOW College provides pathways to the University of Wollongong. We offer uni preparation courses to support students and progress to university studies. We also provide VET courses for students seeking work-ready qualifications in Nursing or Fitness. These can also be used for a direct pathway to a bachelor level study. Find out more at below.

<https://www.uowcollege.edu.au/study/high-school/>

### ACU - Talk with Exercise Scientists and Physiotherapists

1 July 6pm

Join us online to hear from ACU alumni about their experiences working as exercise scientists, clinical exercise physiologists, sports scientists and physiotherapists. Take part in a Q&A session with our graduates to learn what a career in exercise science and physiotherapy is like.

<https://www.acu.edu.au/about-acu/events/2020/july/talk-with-exercise-scientists-and-physiotherapists-online>

## **Budding Teachers – Live Education Q&A with ACU**

24 June 12.00 to 1pm

Have your questions about the new suite of undergraduate education programs for ACU answered by Professor Elizabeth Labone, Executive Dean of the Faculty of Education and Arts  
[Click here to register.](#)

## **ACU Open Days are Moving Online**

ACU Open Days give students the opportunity to ask questions about their dream course, the application process, pathway options, entry schemes and more. There will be three 2020 ACU Open Days shared across NSW and ACT on the 29th of August, and the 5th and 12th of September. Students can follow this link below to keep up to date with the 2020 Open Days.  
[acu.edu.au/uni-experience](https://acu.edu.au/uni-experience)

## **ACU New Courses**

Just like the changing world, ACU courses are continually evolving. Some of the courses at ACU are completely new. Others have been revised to ensure they are the most effective degree ACU can offer students, or are being introduced on a particular campus for the first time. Visit the ACU website for more information

## **UTS Bachelor degrees at UTS Business School Webinar**

30 June 2.30PM

If you are considering commencing, or recommencing undergraduate study with UTS Business School in July, you may be curious as to how the Covid-19 social isolation procedures have impacted teaching and learning.

In this webinar, you will hear from academics and students from across our Bachelor of Business and Bachelor of Management programs about how our lectures, tutorials, assessments, group work and exams are working, and the technology we are using to maximise the effectiveness of remote learning.  
[https://utsmeet.zoom.us/webinar/register/WN\\_Vyu-gVSdRwO2QcaF0SfFNQ](https://utsmeet.zoom.us/webinar/register/WN_Vyu-gVSdRwO2QcaF0SfFNQ)

## **UTS Adjustment Factor Caps**

You may apply for and receive adjustment points from more than one admissions scheme (check each scheme for eligibility criteria) but some faculties at UTS apply a cap to the total number of adjustment points that you can receive for their courses:

- Business - 10 point cap
- Design, Architecture and Building; Engineering and IT - 13 point cap

<https://www.uts.edu.au/future-students/undergraduate/admission-requirements/admissions-schemes>

## **Southern Cross Uni - Virtual Gold Coast Careers Festival**

To 31 July

Want to discover your career pathway? We can help you explore your options at the virtual Gold Coast Careers Festival.

Engage with our educators, gain advice from qualified professionals, discover insights in engaging webinars, and obtain up to date advice through online live chat.

A world of opportunity awaits you. Whether you have no idea what career you want to pursue or you know exactly what you are aiming for, we can show you how to achieve your dream career.  
Register your attendance.

From 6 to 17 July

We offer an extensive program of HSC preparation courses across a range of subjects as well as complementary study skills courses for HSC students to help maximise their HSC results. Taught by experienced and practising senior HSC teachers with hands on knowledge of the HSC syllabus, assessment guidelines and examination procedures, these courses are designed to give students the invaluable knowledge and skills necessary to make their HSC studies effective and successful, and boost HSC results. Content taught is highly relevant, and designed to be transferable to any individual HSC elective or module, as well as being specific to essential syllabus and assessment requirements.
