UNIVERSITY

Study at ACU Webinars

Join us online to have your questions answered, and to hear from ACU staff on a range of topics. ACU have been running Study at ACU webinars throughout the year, but we still have more sessions to come. Register for one of the information sessions below:

A focus on business and law

Wednesday 4 November

[Register now](#)

Returning to study after a break

Wednesday 18 November

[Register now](#)

Transitioning to university

Wednesday 2 December

[Register now](#)

Parent and carer session – How to support your teen in deciding on further study

Wednesday 16 December

[Register now](#)

ACU Know Your Options

Facebook Messenger Q&A NSW and ACT - 18 December. 11am – 2pm

North Sydney - 18 December. 2pm – 4pm. Level 18, Tennison Woods House, 8-20 Napier St, North Sydney

Blacktown - Saturday 19 December, 10am – 2pm. 22 Main Street, Blacktown

Come along to Know Your Options, ACU information sessions where you can talk to experts about your course and career paths, learn about alternative entry and admission pathways, explore an ACU campus, and meet staff and students. Register here:

<https://www.acu.edu.au/about-acu/Events/Know-your-options>

Find your way into ACU with the new ACU Foundation Studies

The new Foundation Studies program is a pathway into all ACU undergraduate degrees on offer in 2022. This free program is currently offered to domestic students at the Blacktown Campus, but acts as a pathway to degrees at any ACU campus provided you meet minimum GPA requirements of your chosen course. Click here:

<https://www.acu.edu.au/study-at-acu/admission-pathways/foundation-studies>

Book your ACU Guided Visit now!

Book now to visit the beautiful ACU campuses and check out the amazing facilities. All guided visits are capped to adhere to social distancing and COVID-19 safe practices. Register here:
<https://www.acu.edu.au/student-life/experience-uni-before-you-start/explore-your-local-campus/campus-tours>

University of Sydney Undergraduate Entry Scholarship (Engineering)

\$10,000 scholarship to encourage and assist students commencing an undergraduate degree in engineering. No application is required.

University of Sydney LR and BA Browne UG Scholarship (Civil Engineering)

Applications close 28 October 2020

\$10,000 scholarship to support NSW school leavers to study an undergraduate degree in civil engineering.

University of Sydney School of Electrical and Information Engineering Diversity Scholarships (Engineering)

Applications close 28 October 2020.

\$15,000 scholarship to support and encourage prospective female students in the fields of electrical engineering and software engineering.

University of Sydney Eric Cunstance Shaw Scholarship (Law)

Applications close 1 November 2020.

Up to \$6000 to assist students from rural Australia to study law at the University of Sydney.

University of Sydney Rural Sustainability Scholarship (Science)

Applications close 10 January 2021

\$6000 yearly scholarship to support undergraduate students with a passion for sustainability in natural and agricultural systems.

University of Sydney Josiah and Myra Roberts Scholarship (Science)

Applications close 28 February 2021

A scholarship established to encourage students to pursue the study of both physics and mathematics. The scholarship is valued at \$10000 per annum and is tenable up to but not exceeding 3 years.

University of Sydney Equity Scholarships

Browse scholarships for students who are Aboriginal and Torres Strait Islander, experiencing financial hardship, living with a disability, or from rural or regional areas.

Many of our affiliated, accommodation providers have their own scholarships that you can apply for!

- [Mandelbaum House](#)
- [Sancta Sophia College](#)
- [St Andrew's College](#)
- [St John's College](#)
- [St Paul's College](#)
- [Wesley College](#)
- [Women's College](#)

University of Sydney New Major in Disability and Participation

Are you passionate about changing the way people with a disability are included and supported in communities? This new major can help you learn the skills and knowledge to create an inclusive society.

<https://www.sydney.edu.au/courses/subject-areas/major/disability-participation-and-health.html?tc=edm|stud|mc-student|edu-staff-hss|%20>

University of Sydney New Major in Biological Design

As the world becomes more complex and connected, bio design challenges conventional scientific approaches by putting design thinking at the front and centre.

<https://www.sydney.edu.au/courses/subject-areas/major/biological-design.html?tc=edm|stud|mc-student|edu-staff-hss|%20>

The University of Sydney Elite Athletes and Performers and Future Leaders Schemes closing

Applications for the University of Sydney Elite Athletes and Performers Scheme close Saturday 31 October.

Nominations for the University of Sydney Future Leaders Scheme close Friday 13 November.

10 reasons to study engineering at Sydney

Why you should study undergraduate engineering with us

Share_

Our Bachelor of Engineering Honours degree is the ideal degree for students wanting to gain the technical skills and professional real-world experiences to innovate sustainable solutions to the world's biggest problems.

Whether your passion lies in robotics and intelligent systems, structural engineering or sustainable and renewable energies, here are 10 reasons why our [Bachelor of Engineering Honours degree](#) is the ideal undergraduate engineering degree for you.

<https://www.sydney.edu.au/engineering/news-and-events/2020/10/02/10-reasons-to-study-engineering-at-sydney.html>

Charles Sturt Virtual Study Consultations

Representatives at all campuses of Charles Sturt University provide ongoing virtual study consultations Monday - Friday 9am - 5pm. Students and their parents can book in for a 15-45 minute appointment to discuss course specifics, pathways, accommodation and more. Bookings can be made here:

<https://study.csu.edu.au/contact-us/consult>

Meet Your Future Professor at Bond

Students and their parents can discover the Bond University advantage by booking a 1:1 meeting with an academic expert in Architecture, Business, Creative Arts, Health, Law, Psychology, and more! To book your meeting, contact Boyd Shacklock via bshacklo@bond.edu.au if you live in Greater Sydney or Southern NSW, or contact Jamie Endelman via jendelma@bond.edu.au if you live in Northern NSW or ACT.

CQUniversity's Principal's Recommendation Scheme provides students with an alternate entry pathway

CQUni's Principal's Recommendation Scheme allows year 12 students to apply for the majority of CQUni's undergraduate courses and receive an unconditional offer. This offer is based on their Principals recommendation and not their ATAR. This pathway is ideal for students who may be experiencing situations which have impacted their senior school results. Applications now open. Visit:

cqu.edu.au/prs

UTS Graduates in Demand Master your career in Animation and Visualisation

12 November. 5pm to 6pm

With the animation and visualisation sectors growing rapidly in Australia, on average, over 90% of UTS Animal Logic Academy graduates have found work in the industry within 6 months.

Register now to learn more about how you can **Master your Career in Animation and Visualisation**.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/master-your-career-animation-and-visualisation>

Melbourne Institute of Technology MIT Sydney – Darling Harbour Campus

For Degrees in IT and Business Majors in Cyber Security, Digital Marketing and others.

A leading private higher education provider, we offer industry relevant bachelor and master degrees–In Business and Information Technology.

IT Courses. Bachelor of Networking–Three year course–Major in Cyber Security3•Master of Networking–Two year course–Major in Cyber Security.

UNSW - ACT Young Women in Engineering (YoWIE)

Ever wondered where studying maths and science at school can take you?

Come and experience Engineering at UNSW Canberra

FREE Three-day workshop - 13 to 15 January 2021

- Build and fly a rocket and gas turbine engine
- Design, build and fly a satellite remotely
- Disassemble and reassemble an engine
- Solder and program a circuit
- Command a robot to solve a series of tasks
- Design, build and test a dam

We are proud to present YoWIE, a three-day workshop held in January specifically for Young Women.

<https://www.unsw.adfa.edu.au/school-of-engineering-and-information-technology/yowie/act-young-women-engineering-yowie-2020>

Girls in Engineering Club

You can connect and share ideas with fellow high school girls who are also discovering the possibilities of a career in engineering. You will hear from inspiring role models, from UNSW engineering students to female engineers already making their mark on the world. They can't wait to share their stories with you and answer your questions!

By joining the club you will receive:

- Exclusive invitations to Girls in Engineering Club events
- Monthly info delivered to your email, featuring profiles of amazing female engineers, study tips and tricks, blogs from our current engineering students, and loads of info to help you explore your career options in engineering
- Opportunities to be mentored by current female engineering students at UNSW
- The chance to win prizes through participating in fun STEM activities!
- Access to a closed Facebook community to connect with likeminded girls

<https://www.engineering.unsw.edu.au/study-with-us/girls-in-engineering-club-gie>

UNSW Engineering Guaranteed Entry (GE) Changes and Faculty of Engineering Admission Scheme (FEAS)

To recognise the hard work and resilience of students throughout COVID-19 and to maximise their educational opportunities, the Guaranteed Entry (GE) rank for most Engineering degrees at UNSW has been adjusted from 93 to 91 for 2021 admission. Applications are also open for the Faculty of Engineering Admission Scheme (FEAS) (www.unsw.to/feas) which considers a student's aptitude for engineering.

The U.S Application Workshop

Are you aiming to study in the U.S? Learn from Former Ivy League Admissions Officer and MIT graduate Ben Schwartz, to learn to create a strong profile for the U.S University Application to outshine the competition and make a memorable impression on Admission Officers. Register here:

<https://bit.ly/3jRaX4M>

The UK Application Explained

Hosted by a Crimson UK Strategy Consultant Abbigail Colwyn, we'll take you through each stage of the UK application process from the fundamentals through to in-depth insights. Register here:

<https://bit.ly/2SIbTfU>

How to Write a UCAS Personal Statement for a UK Application

The UCAS personal statement is the UK's equivalent of the US college essay. Except where US colleges provide a prompt to applicants and the essay needs to speak about specific details, the format of the UCAS personal statement is far more open and standardized. The personal statement is your opportunity to show what you're like, to talk about your interests and to demonstrate your commitment to your chosen course. You should spend time fine-tuning this one document, as it could be the difference acceptance and rejection.

<https://www.crimsoneducation.org/au/blog/ucas-personal-statement-university>

Macquarie University –Faculty of Science & Engineering Academic Achievements Entry Scholarships

Close 29 November

- Receive an ATAR of 90+
- Meet any other criteria required in your UAC application into the relevant Macquarie program.
- Be a domestic student

Studying TVET 2021

At TAFE NSW, you will gain work related skills and experience that is recognised and valued by employers. In many TVET courses, in addition to your theoretical training, you will also be required to complete a mandatory work placement. TVET studies can be used to help you gain a place in a TAFE NSW Higher Education course or at a university, by contributing to your ATAR. Your TVET qualification will also provide you with an industry qualification. TVET courses may also contribute towards credit or advance standing in your next TAFE NSW course. By successfully completing your TVET course, you will gain two credentials upon finishing school; one from the New South Wales Educational Standards Authority (NESA), and another from TAFE NSW

https://www.tafensw.edu.au/documents/60140/76288/TVET-Brochure.pdf?utm_campaign=20191015%20002%20b2c%20Career%20Advisor%20edm%20october%20newsletter%20initial%20SCHOOLS%20awareness&utm_medium=email&utm_source=Eloqua

Master Builders Pre-apprenticeship Program

Monday 23rd November 2020

Master Builders have created a program with a holistic approach to preparing you to become the best quality 1st year Carpentry Apprentice!

During the Pre-Apprenticeship Program, you will learn how to:

- Build house frames
- Safely use hand and power tools
- Measurements and calculations for project work
- Work safely at heights
- Apply first aid
- Effectively demolish part of a structure

Most importantly, you will learn how to remain safe on site.

As this training is subsidised by the NSW Government, there is no cost to you.

Selection Criteria:

- Commitment attending full 2 weeks, 7.30am to 3.30pm, Monday to Friday
- Must have previously completed a Certificate II in Construction, Construction Pathways or TVET
 - We will need a copy of your Certificate when you enrol
- Must be signed out of school and be a minimum of 17 years old
- Have a valid driver's or riders' licence and own transport – apply if you are close to getting your licence!
- A desire to commence and complete an apprenticeship or traineeship within the building and construction.

<https://www.mbansw.asn.au/pre-apprenticeship-program>

Master Painters Australia –Bootcamp

Master Painters Group Training Company (MPGTC) run a 3 Day Bootcamp at our specifically designed training facility – this is a wonderful opportunity for those wanting to become an Apprentice Painter & Decorator.

Who Should Attend? Anyone with an interest in pursuing a career in the Painting & Decorating Industry and looking for a practical training program with the opportunity to secure an apprenticeship and work with Host Trainer at the completion of the program. Take the first step to a successful and colourful career and contact us.

Call: 02 9758 8877. **Email:** matthew@masterpainters.com.au

Register here:

<https://www.masterpainters.com.au/Default.aspx?PageID=11945639&A=SearchResult&SearchID=164086662&ObjectID=11945639&ObjectType=1>

Traineeships Open to 2020 school leavers!

Applications close 16 November

Calling 2020 school leavers who are 18 years old (or turning 18)! Obtain your Certificate III in Individual Support (Disability), Individual Support (Ageing) or Business Administration while gaining on-the-job experience! Located throughout regional NSW, LiveBetter provides a diverse range of services to the elderly, people with disabilities and their families, carers, and children & families. <https://livebetter.org.au/school-leaver-traineeships/>

Panel Broadcast: Find out more about School-based Apprenticeships and Traineeships

This National Skills Week, Apprenticeship Careers Australia (ACA) hosted a panel broadcast with School-based Apprentices and Trainees. The panel of SBATs joined ACA and journalist Kate Creedon to explore how they started their apprenticeship or traineeship as they shared their own experiences and advice.

Watch the broadcast recording, get ACA's guide and find out more here:

<https://bit.ly/3gl2SNi>

COLLEGES

Reminder - NIDA Applications Date Closing Soon

30 October

Become one of Australia's creative leaders. A unique learning experience.

As Australia's leading dramatic arts education institution, NIDA empowers artists in their chosen field to find their individual creative voices.

Industry engagement and collaborative student learning are core ingredients of all our courses, with graduates from the past 60 years enjoying highly successful careers in Australia and around the world.

<http://apply.nida.edu.au/>

Basair Aviation College Annual Open Day!

Basair Aviation College is hosting an Annual Open Day! Students seeking an exciting career will be able to go on a trial flight & take over the controls, try drone & aircraft simulators, meet students & alumni and find out how to become a Commercial Pilot in less than a year! Tickets:

<https://www.eventbrite.com/e/basair-annual-open-day-sydney-0811-brisbane-1511-tickets-122165122169?aff=CAANL>

Becoming a pilot: 2020 Open day postponed, individual meetings welcome

SFC has postponed their 2020 open day but is still welcoming students who wish to visit the college over the next few months in preparation for 2021 courses. Interested in a career as a pilot? If so, contact the course advisor now for a personal tour of the campus and all the information you need on commercial pilot licence courses. Contact Tarquin Watt at tarquinw@sfcaero.com.au or 0456 500 460.

Missed it? - AFTRS Open Day Streamed Here

Missed it? No problem. We live streamed all information sessions on [Facebook](#) on the day:

Bachelor of Arts Screen: Production information session.

Or

AFTRS Student Experience.

An open session with the AFTRS Student Centre team about life on campus, including a candid Q&A. See if they asked one of your burning questions.

Check it out here:

<https://www.aftrs.edu.au/open-day/>

JMC Mentoring Masterclass with Shane Jacobsen

27 October. 3pm to 4pm

Shane Jacobsen is one of Australia's most loved, award-winning actors, presenters and entertainers. His incredible and varied career spans over 40 years both here at home and internationally. The successful film "Kenny" brought Shane recognition as the "Dunny Man" alongside his subsequent credits including: Cactus, Charlie & Boots, Surviving Georgia, The Dressmaker, That's Not My Dog, 7 Guardians of the Tomb, Brother's Nest, The Excellent Mr Dundee and soon to be seen in Never Too Late as a TV Host, presenter and actor, Shane's appearances have been numerous and varied.

Bachelor of Data Science at S P Jain - Sydney

Global demand for data science and computing expertise exceeds supply, with predictions of a major shortage of analysts for at least the next 10 years. This presents a high potential employment opportunity. SP Jain Global's Bachelor of Data Science (BDS) is a 3-year* undergraduate program designed to prepare graduates who can conduct data-driven investigations and visual and advanced analytics by acquiring and managing data of all types. Through this program, students will develop an in-depth understanding of data science and the techniques for analysis of quantitative and qualitative data to arrive at solutions. They will be able to identify patterns in order to predict trends from analysing data of various sectors such as manufacturing, banking and finance, retail and healthcare.

AMPA Audition Advice - What happens in an audition?

The audition process has been established to review your academic/ performance level and to provide advice on your educational pathway. Along with a short interview you will be required to perform (performance major) or present (composition/production major) 2-3 pieces of contrasting style. If you're familiar with multiple genres or instruments it is recommended that you demonstrate these skills in your audition. If you specialise in only one genre ensure that your pieces exemplify your range as much as possible. Musical Theatre students must also demonstrate their acting and dancing ability. All undergraduate music applicants will complete a music theory assessment.

Students auditioning for the Bachelor of Dance will be required to attend an all day workshop, which will include classes, solo's and written tasks.

To download the full audition guides for each AMPA degree, please visit the 'How to Apply' section of this website, [or click here](#).

How should I prepare?

Choose your audition pieces carefully and know them well. Choose songs that you feel most confident with and that show off your full range of skills. Feel free to utilise backing tracks and accompaniment. Most importantly, relax and enjoy the process! If you have any questions beforehand, please feel free to get in touch with our friendly Admissions staff on 02 9555 1666 or by emailing admissions@ampa.edu.au

View all our upcoming events at below or if you have questions email - info@campamerica.com.au

<https://www.campamerica.com.au/events/camp-america-online>

Meet 10 people in the event industry

We asked 10 young people who have found a home in the exhibition and event industry to tell us about their career and what makes the industry so appealing. Through their eyes you can see why many who enter the industry never leave. It's a global industry that can take you all around the world, while small enough that you feel part of our family and team.

Assistants in Nursing - Their Important and Growing Role

Anyone who relishes the idea of caring for people as a living may decide that a career in the medical world is a good choice. However, not everyone is suited to becoming a medical professional such as a doctor, nurse or physiotherapist.

For people who want to help, without having one of these roles, there is the option of becoming an assistant. For instance, there are [Allied Health Courses](#) which people can take in order to qualify for a role in assistance. Allied health assistants provide assistance to health practitioners including physiotherapists, occupational therapists, podiatrists, speech pathologists and dietitians. Another option in health is to become an assistant in nursing.

How to Transition to Tertiary Education - Helpful Hints for People with Autism Spectrum Disorder.

The information here was developed as two booklets. These booklets discuss many changes to expect, but cannot predict all possible changes you may experience. Each university or TAFE is different; each campus is different; the staff are different; the students are different; and the way you experience it may be different as well. Nevertheless, a good logical approach to planning will help you cope with the transition.
