UNIVERSITY

University Ratings and Rankings in Australia

The ratings that appear on this site were published in the 2021 edition of The Good Universities Guide. The ratings provide independent five-star performance ratings for every university in Australia, based on student-relevant criteria such as; graduate salaries, teaching quality, learning resources, graduate employment rates and much more.

<https://www.gooduniversitiesguide.com.au/university-ratings-rankings>

Introduction to Actuarial Science by the ANU

The Australian National University (ANU) is running its popular Introduction to Actuarial Science course for Year 11/12 students in Australia. The purpose of the course is to provide students considering an actuarial career with an interactive introduction to the profession. As such, it is a perfect fit for high school students who are strong in maths to find out if an actuarial degree would be good university program choice for them. The course is FREE for all students. For more information and to register interest go to:

University of Newcastle The Ma & Morley Scholarship Program
Opens 1 April 2021

The Ma & Morley Scholarship Program is a transformative experience offered to students of the University of Newcastle who want to change the world.

This revolutionary scholarship program was born to honour the life-changing and enduring friendship between the successful Chinese entrepreneur Jack Ma and respected Novocastrian Ken Morley.

The program aims to inspire, educate and cultivate the next generation of globally aware and socially conscious Australian leaders and is only made possible by a generous US\$20 million philanthropic commitment by the Jack Ma Foundation.

Webinar - All about Sydney – University of Sydney

24 March, 2021. 4:00pm

This webinar is designed to give you a good overview of what it is like to study at the University of Sydney. We will cover everything from the degrees we offer, to the student experience, and how to apply. The webinar will consist of a short presentation followed by Q&A.

https://uni-sydney.zoom.us/webinar/register/7516152377033/WN_IGwzXmfkTCS-PeU8bA7xmw

Webinar - Admission Pathways to the University of Sydney

31 March 2021. 4pm

There is often more than one way to gain entry to your dream course at the University of Sydney. If you are interested in exploring your options, please join us for this webinar where we will talk you through the various entry schemes and admission pathways that we offer.

https://uni-sydney.zoom.us/webinar/register/3716152396833/WN_ZkfX_pkzQR2qzcGkUseqMA

Reminder - Music Theatre Workshop

Saturday March 27 9:30am - 1.00pm

Music Workshop at the Sydney Conservatorium of Music

Join Dr. Narelle Yeo, Peter Cousins, Simon Kenway as they introduce you to the skills needed to be a great musical theatre performer.

During the session we will give you insights into the art of musical theatre including stagecraft and presence, vocal technique, characterization, ensemble work and more. You will have the chance to dance, act and sing in this hands on workshop giving you not just a glimpse but a taste of the fascinating, exciting, sometimes glamorous but always hard working world of music theatre.

The Workshop presenters are drawn from the Music Theatre industry as well as the Sydney Conservatorium of Music. This Taster will be run at the Sydney Conservatorium of Music under the instruction of Dr Narelle Yeo, Peter Cousins, Simon Kenway and dance staff.

There will be some music to learn before the workshop you are also encouraged to bring sheet music for 16 bars of your favourite musical theatre solo. Bring comfortable dance gear to the workshop.

For students 15-25 years of age.

Living and Studying in Sydney in 2022 - Residential Applications Open

31 March 2021

Applications to live at Sancta Sophia College within the University of Sydney in 2022 open from 31 March 2021. Female students currently in Year 12 are encouraged to apply early to secure a place to live on-campus. There is no application fee for 2022 and Sancta accepts undergraduate students studying at any major university in Sydney. Email: development@sancta.edu.au

<https://sancta.edu.au>

Benefits of Internships

Internships, both a valuable add-on alongside an academic degree and a great way to explore and develop skills in a new industry. Also known as placements, internships are often a good way to add get relevant experience onto a resume when branching out into a new sector.

Here are some things worth knowing about the benefits of internships.

It opens networking opportunities.

Getting a foot in the door into a new industry is the perfect way to meet like-minded people. It's advisable for interns to meet a range of people outside the department or company as they might find themselves being asked to stay on for work in other areas of the business.

<https://www.australiancareersservice.com.au/industry-news/the-benefits-of-internships>

Which Uni are the best for Nursing

Nurses are an integral role within the health sector — the role is not limited to hospitals and can extend to areas like the military, schools, dental offices or prison services. The path to becoming a qualified and registered nurse also varies depending on whether the student is considering specialised areas of the profession.

<https://www.australiancareersservice.com.au/industry-news/which-universities-are-the-best-for-nursing>

Become a Doctor with Bond University's Medical Program in 4 years, 8 months

The Medical Program is designed to equip graduates with the foundational knowledge, skills and attributes required to safely and effectively practise medicine in today's complex healthcare environment. The first of Bonds 2-part Medical Program (the Bachelor of Medical Studies), is distinguished by its strong educational focus on problem-based learning, interactive workshops and clinical simulation. With small class sizes, students learn in a highly personalised environment with state-of-the-art equipment.

The second of Bonds 2-part Medical Program (the Doctor of Medicine) must be completed for students to be eligible for registration as a medical practitioner in any state or territory in Australia or New Zealand. The MD is distinguished by its strong focus on evidence-based medicine and integrated clinical practice. Due to Bonds tri-semester structure, graduating students will have the advantage of entering the workforce as a Doctor in only 14 semesters.

Update- Early Admission at the University of Wollongong

Opens 19 July

Closes 13 August

This year, applications for Early Admission to UOW will open on Monday 19 July, and will close on Friday 13 August. To be kept up to date, students should subscribe to the UOW Year 12 Newsletter at:

http://bit.ly/uow_news

In2Uni Year 10 Sponsored Schools University of Wollongong

In 2021, we are offering a number of Year 10 Programs to help your students get the best information about their career choices just before they embark on their senior study years or head into the workforce. The Year 10 Future Finder Program is an interactive, project-based workshop delivered in school or online via Zoom by In2Uni Mentors and staff.

Focusing on the United Nations Sustainability Development Goals (SDGs), this workshop explores how the careers of the future can positively impact on these goals. Students will understand how their future aspirations could help impact communities in a positive way, as they are introduced broadly to the UN SDGs, and undertake a project-based learning activity focused on one specific goal.

UTS Campus Tours

The UTS campus is one of a kind. UTS is located right in the heart of Sydney's leading digital and creative precinct. Find out what makes UTS so unique by registering to one of our campus tour sessions this year.

You will be taken on a 45-minute tour of our city campus and the state-of-the-art facilities we have to offer.

Your friends and family can sign up, too.

<https://www.uts.edu.au/future-students/campus-tours/register>

UTS - Year 12 students - Round 1 applications for Bachelor of Accounting 2022

Early closing date on Friday 21 May 2021

The UTS Bachelor of Accounting has the aim of producing potential business leaders of the future via an accounting career.

The main benefits to students who are selected into the Bachelor of Accounting are a tax-free scholarship valued at \$54,000, a year of full-time work training, and great career prospects with the major employers who support the course. No BAcc graduate has ever missed out on a job, and these job offers are generally made by April of the students' third and final year of study. That might be only 3 years away from where you are now.

Other key benefits of this program, that set it apart from cadetships or other co-op courses, are that it takes only 3 years to complete and that students in the course study, work and play together as a close group of friends throughout that time. Email carin.alberts@uts.edu.au

TAFE

Q&A School Based Apprenticeships and Traineeships

School based apprenticeships and traineeships allow senior high school students to commence an apprenticeship or complete a traineeship while at school. School based apprentices work part-time and undertake the first stage of their apprenticeship training before the end of the HSC year. School based trainees work part-time and complete their traineeship by the end of their HSC year.

<https://sbatinnsw.info/getting-started/questions-answered>

Careers at Council - your search starts here!

Local government offers a huge range of career opportunities across 128 councils in NSW. With an ageing workforce, councils are looking to recruit and develop a younger workforce. To learn more about the many career paths and jobs available in local government, including apprenticeships & traineeships go to:

<https://www.careersatcouncil.com.au/>

TAFE Guide for Parents

We understand that parental involvement is important to help guide your child choose a career path that is suited to them.

That's why at TAFE NSW, we provide our students with individual support, small class sizes, quality trained teachers, and pathways to get them to where they want to be.

From specialist schools such as the Design Centre Enmore, Fashion Design Studio, and the Australian Patisserie Academy, TAFE NSW has hundreds of courses, diplomas, and degrees, with many different pathways to suit every style of learning - be it online, in person, a combination of both, or even in their own time.

With strong industry connections we also partner with employers to provide mentorships, internships and work placements in a real-world learning environment.

Our ambition is to help your child with their career goals.

Aircraft Maintenance Engineering Course Options

Become a Licenced Aircraft Maintenance Engineer.

An Aircraft Maintenance Engineer's fundamental purpose is to ensure aircraft are safe and airworthy to fly. No aircraft takes off without being certified to do so by an engineer. It's a role people don't often think about, however it's one of the most crucial roles when it comes to the safety and viability of the aviation industry. If you enjoy finding practical solutions to complex problems and knowing how things work, then this might be the career path for you.

Learning about the technology behind the aircraft systems and fixing them makes for a fascinating and rewarding career.

<https://www.aviationaustralia.aero/engineering/>

AIE Animation Industry Experience Days – Sydney, Canberra, Melbourne, Brisbane

13 April

Limited places available.

AIE's Industry Experience Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry.

If you are thinking about a career in the games or film industry then we highly recommend registering for this free event. We are limiting numbers for this event due to physical distancing requirements, with Year 12 students having priority to register.

Each year BarMax successfully teach thousands of students and prepare them for the responsibilities of decision making after they leave school. For more information and to register your interest for 2021 visit:

<https://barmax.com.au/schools-2020>

ACPE Scholarships Program is Open to all students

These prestigious scholarships seek to support the following new students. See if there is one that suits you:

High Academic Achievers

This scholarship is assessed on academic merit and based on an average score achieved in the HSC examinations.

Young Leaders in the Community

This Scholarship aims to recognise the "all-rounder" who demonstrates outstanding achievement academically, strong leadership qualities and is a natural collaborator with a desire to bring positive change to our community.

Elite Athletes Participating in Sport and Dance

Intended for commencing students who have demonstrated a high level of commitment and achievement to dance or sport as an elite athlete, performer, or coach, and would benefit from financial support at tertiary level. ACPE understands the level of commitment, discipline and dedication required to excel as an athlete. We also understand that this level of commitment to a sport places different demands on students to ensure that they can maintain good academic standing.

Female Student-Athletes

Intended to support commencing female athlete students to balance sporting commitments and academic responsibilities to ensure success. ACPE understands the level of commitment, discipline and dedication required to excel as an athlete. We also understand that this level of commitment to a sport places different demands on students to ensure that they can maintain good academic standing.

Students Connected through the ACPE Alumni Community

This scholarship was established to allow the ACPE Alumni network to refer a relative, friend or colleague to study at ACPE. With a proud history spanning over 100 years, our alumni community play an important role at ACPE and can now contribute towards the next generation through the Alumni Next Generation Scholarship.

Students with Disabilities

Through ACPE's passion and commitment in providing equal opportunities and supportive education for all para-athletes. The ACPE Disability in Sport Scholarship is intended for commencing students who are currently participating in a physical activity whilst living with a disability.

Aboriginal and Torres Strait Islander Students

ACPE is committed to supporting Aboriginal and Torres Strait Islander students achieve their academic, personal and sporting goals

GENERAL

From UAC: HSC students: don't stress! Here's a quick and simple ATAR explainer without all the jargon.

It's important to remember that the ATAR tells you about where you're placed among your cohort (your rank); it's not a mark out of 100 or a percentage. Its only purpose is to help universities select students for their courses.

Of the 54,894 NSW students who received an ATAR in 2020:

- only 46 students (less than 1%) received an ATAR of 99.95
- 50.3% received an ATAR of at least 70.00
- 65.6% received an ATAR of at least 60.00.

The Pros and Cons about an Accountancy Career

The world is full of accountancy grads who aren't working as accountants. Some are musicians (Mick Jagger), some comedians (Eddie Izzard) and some novelists (John Grisham). Believe it or not, some are even mixed martial arts cage fighters (Chuck 'The Iceman' Liddell). Of course, most accountancy grads do go on to become accountants, at least for a period of time. But before you do so it's worth doing a little accounting of your own about the benefits and costs involved.

All the Methods to Apply to the Australian Federal Police Force

The Australian Federal Police (AFP) is Australia's national policing agency. Our role is to protect Australians and Australia's interests from serious criminal threats.

We take a 21st century approach to law enforcement, working in Australia and internationally with our partners to outsmart crime through intelligent action.

In 2019-2020, we disrupted **294 major criminal operations**, including terrorism, drug trafficking and child exploitation.

We also provide specialist protective services, international police assistance and community policing in the Australian Capital Territory and external Australian territories, including Norfolk Island and Christmas Island.

In a time of rapidly evolving criminal activity, our global networks and world-leading expertise across multiple areas – from forensics and intelligence to investigations – help us stay **a step ahead**.
