Careers Newsletter 28 February 2025

Hello again. Welcome back to Tara and to 2025 - it is going to be another big year, so let's start with the next few weeks of Careers events.

- **ANU Open Day: 29 March:** Don't just imagine it. Experience your future at ANU Open Day.
- **University of Sydney Webinar - Your pathway into medicine: 26 March:** Passionate about studying Medicine and making a difference in the world? Seize this opportunity to discover how the University of Sydney can help you achieve your dreams of becoming a doctor! The University of Sydney Medicine Degree will equip you with the clinical expertise, leadership skills, and human understanding needed to impact lives positively, both in Australia and globally. Join this webinar to find out about the flexibility and rewards of our double degree programs in medicine. Learn how to best prepare for the admissions process and set yourself up for success.
- **University of Sydney - Applications Casper Test Dates for Veterinary Science 2026:** All applicants are required to complete the Casper online testing (via Altus Suite) for the 2025/26 admission cycle. Applicants must register for a Casper test at least 3 days prior to the testing date.
- **UTS Bachelor of Accounting (BAcc) Scholarship Applications open 1st March:** If you are a high-achieving school leaver and believe you could be one of Australia's future business leaders, then the Bachelor of Accounting cooperative education scholarship program has been designed just for you. The Bachelor of Accounting (BAcc) provides you with a multi-skilled accounting degree with strong emphasis on both accounting and financial management, both essential business tools.
- **Bachelor of Accounting (BAcc) at UTS Information Evening: 7 May:** At the core of every organisation is an accountant. Join our webinar to learn about what accounting really is and where it can take you. If you are a high-achieving school leaver and believe you could be one of Australia's future business leaders, then our Bachelor of Accounting and cooperative education scholarship program has been designed just for you.
- **Discover Health Sciences at ACU North Sydney: 24 April:** Are you ready to explore a career that makes a real difference? Discover what it's like to study nursing, occupational therapy, physiotherapy or speech pathology at ACU North Sydney. Take part in hands-on workshops where you'll get a feel for the practical skills you'll develop as a future healthcare professional. Tour our campus and experience our state-of-the-art, fully functional simulation wards, where you'll get a behind-the-scenes look at the innovative training that makes ACU health sciences graduates highly sought after by employers.
- **How to become an architect in Australia:** By the year 2030, the world will need three billion new homes. What's more, architects will have to create buildings that are 'net zero carbon', with sustainability, culture and people front of mind. It's clear that architecture is essential for improving people's lives – both now and in the future. So how do you become an architect in Australia? The short answer is study (a Bachelor's degree and a Master's degree), professional experience, an exam, and professional registration. Ready to understand that journey in detail? Let's take a look at how you can become an architect in Australia – and the advantage studying with UNSW will give you.

- **Reminder - UNSW Aviation Information Session:** As air traffic continues to increase, the industry needs more airline pilots and aviation professionals to meet demand. Hear from UNSW Aviation staff and students and find out how you can kick start your career in this important industry. Discover the exciting world of aviation at UNSW as our speakers delve into their personal experiences and share their insights into the broad range of career opportunities in the aviation sector. Connect with our staff and students during the Q&A to discover the diverse range of student experience opportunities on offer at UNSW and get all your questions answered.
- **UNSW Future Creators Day: 14 April:** UNSW Future Creators' Day—hands-on workshops in Game Art, Animation, Design, Fashion & more. Explore your passion & bring ideas to life! Future Creators' Day is a hands-on experience for Year 10 and 11 students passionate about creativity, design, and visual storytelling. Hosted by UNSW Arts, Design & Architecture, this event is the perfect opportunity to explore future study and career paths in the creative industries. Join us on campus for a day of immersive workshops led by expert academics and industry professionals. Get a taste of our newly offered Game Art specialisation, along with workshops in Animation, Painting, Textiles & Fashion Design, Object Design, and Graphic Design. Whether you're interested in digital art, interactive storytelling, or traditional design disciplines, this event is designed to help you develop your skills and discover your creative potential. Connect with like-minded students, experience university life, and gain insights into studying at UNSW. Future Creators' Day is your chance to turn your creative passion into a future career.
- **UCAT For Entry to Medicine in Australian and New Zealand Universities:** The UCAT ANZ is a compulsory entry requirement for our Australia and New Zealand Consortium universities. You are required to sit the UCAT ANZ 2025 test (between 1 July and 5 August 2025) if you are intending to apply for entry in 2026 to a relevant course or programme listed below. UCAT ANZ results cannot be carried over from one year to the next. For example, results from UCAT ANZ 2025 can only be used to apply for courses commencing in 2026. Some pathways to medicine/dentistry/clinical sciences will not require the UCAT ANZ. For some applicants a different test may be required. You should always check the entry requirements for each course or programme using the websites of the universities to which you intend to apply before booking a test. There are no general exemptions from the test.
- **Study in the US - Virtual Information Session: 19 March:** Internationally Educated is excited to host a live, virtual information session providing students and families from years nine to twelve (9-12) the opportunity to learn more about Studying in the US. This general presentation draws on our experience having worked in US university admissions and will provide insight to the US university application process and the higher education system in the US. A brief Q&A session will follow the presentation.
- **NIDA Short Courses:** Open your creativity with NIDA's short courses. Designed specifically for children and young people, NIDA offers a fun and supportive learning environment that unlocks creative potential and builds confidence.
